From Editor's Desk

Wishing you all Merry Christmas !

Friends, we are fast approaching new year 2017. We must Introspect our achievements during this year, which is most appropriate. Ever since the new committee took over in April, we have come a long way and have done lot of notable programmes, conducted workshops and importantly held a National Salon. It is a great task and I thank all the committee members for giving their best support. We must work hard, with selfless motives and whole heartedly put efforts to see our YPS flag fly high in the international arena. Let us work towards it.

Some young and enthusiastic members have come forward to help us from outside the committee and it is a good sign, that many want to make YPS great.

We are having many workshops for our members, giving great opportunities to learn and to meet many experts in the field of photography. Never miss the opportunities. It is for you people that we are striving hard to give better and better programmes.

The Month that was

November 5th Kannada Rajyotsava Celebration: Even though it was a small gathering, we celebrated with pomp and brought a festive mood to the function. 25 members and a few with their family, attended the Kannada Rajyotsava Celebration and made it colourful. A young troop of enthusiastic musicians lead by Sathvik S Rao sang "Hachevu Kannada Deepa". Our State youth services Director Sri. Anupam Agrawal IPS, inaugurated the function by lighting the lamp. During this

time, all the ladies and kids held Lights in their hands till the end of the song. It was so beautiful showing our respects to Bhuvaneshwari Devi.

Later, during the welcome address by H. Satish in Namma Kannada, he welcomed all the members and Chief guest, and remembered all the people, who made Karnataka famous. He also stated that we should feel lucky just to be able to keep our feet on this land, and consider ourselves blessed for being born in this great land of cultured people.

Director, Sri.Anupam Agrawal, who hails from Rajasthan, spoke in Kannada only and showed respect to our motherland. He congratulated YPS for being the only active photography club and extended all his help to make the premises on 3rd floor at SYC suitable for YPS activities. He promised to get the hall cleaned and install new electrical connections. The Director is the key person behind our returning to our old place and YPS thanks him for all the help and encouragement.

Mr. Sathvik, Aniruddha and Manohar Kashyap sang many Kannada hits and particularly C. Ashwath's songs. It was very delightful and YPS thanks all of them for rendering very beautiful songs and made the evening very colourful one.

At YPS, we want to honour our lady members who have made remarkable achievements in their respective fields. On this auspicious day, we honoured our member and "KAVIYITHRI" Smt. Bhagya, Sales Tax Inspector, who writes poems in Kannada, for all our members pictures on YPS chats. She inspires us to do better and better work and her poems glorify our images. We thank you madam for all your beautiful words and for the inspiration.

November 17th YPS 34th All India Salon Award Function

The 34th YPS All India Salon of Digital Photography 2016 Exhibition was inaugurated by the famous Film Actor Dr. Srinath and was presided over by Dr. M.S. Muthy, President, Lalitha Kala Academy. The function commenced on time and at 5-30pm, Dr. Srinath inaugurated the Photo exhibition. Award winning images from the Salon were showcased at the Exhibition for three days from November 17th to 20th. The prints were sponsored by Prabhu Photos. YPS thanks Sri. Allama Prabhu for this kind gesture.

The programme was compered by Smt. Kshama. After nice rendering of invocation song by Kshama, President H. Satish welcomed the gathering. In his speech, Satish stated that YPS is 45 years old and continuing with all its glory and has conducted 34 All India salons.

Dr. Srinath in his speech told that, though he is a cinematographer, he was happier to be in front of the camera than behind. He appreciated the work done by YPS and he was mesmerised to see the quality of images in the exhibition.

Sri. K.S. Srinivas, Salon Chairman spoke about the quality of images that came for the judging and how we introduced the Special software created only for judging. This software was developed by our members, Sri. Murali Santhanam and Sri. Deepak Eshwar. Hats off to them for their commendable work. He elaborated on the judging process, exhibition and printing of the salon souvenir. He also thanked all members for the support. Sri. H.V. Ramachandran, Salon Secretary read the salon report with statistics.

Later Dr. M.S. Murthy released the Salon Souvenir. Dr. Murthy, during his speech, offered to provide help to YPS from Lalitha Kala Academy for conducting workshops and also extended invitation to hold seminars and programmes for YPS. He proposed a workshop with YPS on the art of Abstract Photography.

Most of the Award winners from Bangalore were present and received the awards from the Chief Guest. This time all cash awards were sponsored by our YPS members. When Mr. Satish requested members to sponsor cash awards, over chats, on the 2nd day itself, the collection was nearly Rupees 60,000. Such was the enthusiasm and generosity of the members. We thank all of them for their support without which this salon would not have been successful. We thank Sri. E.Hanumantha Rao's Trust for sponsoring awards in the Nature section. YPS thanks all the sponsors' advertisers and all those who supported directly or indirectly; the Executive and Salon committee members, who were the backbone to this event.

November 19 - 10 Countries in 30 Days

Mr. A.K. Raju. AFIAP, gave a powerful presentation on 10 countries of Europe, that he visited with his family in October. He explained every image, and throughout his presentation, he used road maps to give us an idea how he travelled which was very interesting. He has used lines, colours, and symmetry in his images so perfectly and it was amazing to see perfect control on exposures.

The interesting fact was that he did not visit major cities, but lesser known and more beautiful places. The images of cathedrals and museums were awe inspiring with tonal qualities and compositions.

His lively explanations combined with his mastery over photography made this a memorable presentation.
