FROM THE EDITOR'S DESK

May 7th -2016. Discussion on
Dr. G. Thomas Portfolio:

It was a good beginning for the new committee to commence YPS programs with a panel discussion on the portfolio of our own Late. Dr. G. Thomas, FRPS, FPSA, Hon. EFIAP, Hon. YPS. We had about 20 images from the collection of Sri. M.S. Hebbur and all the members benefitted by not only discussing the masterpieces, but also by having the privilege to look at the original prints. The landscape and pictorial images of the legendary artist are beyond imagination. The prints still retain the depth of tone and have not faded with time. Dr. Thomas used to make his own prints and as he was also a painter, his prints have the old world painterly charm. This was a rare occasion when his prints were on display and the 30 odd members who attended the session learnt a lot on the art of pictorial photography.

May-20th -2016,

The committee members gathered at the Press club for a press meet to present the new committee's plans and the details of the Inaugural function of YPS. The President H. Satish briefed the journalists, about the functions of YPS and its motto. He also elaborated the objective of YPS and programmes for the year. The most awaited event; the YPS Inaugural Programme was held on 22nd May 2016, beginning with a Portrait workshop for photo enthusiasts. After make-up they were ready by 7:30 am.

The attendees were mesmerized at the lovely costumes worn by the Yakshagana artists. The lighting was perfect to take the portraits. We utilized the back lighting, side lighting and different other kinds of lighting. Mr. Srinivas, was explaining the angle of light, from where to take portraits
