Total Point = Point earned by each Image + Acceptance point + Award Point

YPS Tops the 35th FIP Interclub Contest 2020

It is a hat trick! Yes, for the 3rd consecutive time, YPS is adjudged to be rank number 1 in the Interclub Contest organized by the Federation of Indian Photography, which is the apex body of all photography clubs in our country.

YPS submitted 20 pictures, the maximum that a club could submit, across different sections. YPS secured the first rank with a total score of 410 as a result of 12 accepted pictures, which included 5 awards. Those 12 pictures are presented here. The contest was judged by 5 eminent jurors.

An invitation was sent to all the members of YPS during early November 2020 to submit their best pictures for shortlisting. A total of 448 images were received. A panel comprising Mr H Satish MFIAP, MICS, ARPS, cMoL, Hon MFIP (Nature), Mr Digwas Bellemene EFIAP/b, EPSA, EFIP, EIUP, cMoL, A.CPE, and Mr Krishna Bhat EFIAP/s, EFIP, EPSA, cMoL, selected 20 images that were submitted to the contest. YPS congratulates the successful authors, acknowledges the effort of all the other authors who submitted their works and thanks the panel of selectors. Mr Krishna Bhat was the lead for selection and submission of the works.

YPS congratulates the Kalakriti Photoclub, Mumbai and the Full Frame Photo Club, Mumbai for securing the 2nd and the 3rd ranks respectively and recognises the efforts of all the participated clubs in making the contest a success.
